

Welcome to the 4th annual SongFest!

This educational workshop-style festival is presented by the Cowichan Valley Music Teachers Association to offer voice students an opportunity to extend their music study by preparing and singing for an adjudicator and audience in a friendly, low-key atmosphere. Parents and other guests are welcome to enjoy listening to the students perform, and work with the adjudicator.

The Cowichan Valley Music Teachers welcome the return of Dr. Marvin Regier who was our first Songfest adjudicator in 2006. Warmly valued for his teaching skills, he is in demand as a conductor, pedagogue, adjudicator and performer!
