## Meeting Notes from March 29, 2006

The meeting was held at Kim Sylvester's

**10:00** - Music - taping of the 2 songs we sang in memory of Ruth Hill. As well, Bev Halasz played 3 compositions for us, including the one she wrote for Ruth.

Bernie Brown is in charge of music, and next month is open. Please give her a call to contribute.

**10:30 Presentation topic.** Judit was absent so we did not complete our Kodaly piece. However, Trisha Daniell brought the materials she's made for teaching intervals to students, consisting of a book, arranged according to the RCM exam requirements, with names of tunes and little graphics to help in the memory. We will continue with the Kodaly work for next meeting, but your contributions to this portion of the meeting are welcomed. Call Trisha about the schedule.

**11:00 Business meeting.** Some action and decision items from Friday's meeting will be found in their own sections on this page. Short bits include:

- Kim will send a **sympathy card to Heather Gow** on the loss of her husband.
- **Songfest**- we'll make an e-mail announcement soon about Songfest. (may be postponed until May 07)
